Dear Michael:

On behalf of our entire Board of Directors, and all the disabled children and adults who call Larc home, please accept my most sincere thank you for the wonderful \$18,585 check from the 2013 Lobster Bake.

We fully understand that a great deal of planning and effort are required to make the Young Lawyers Lobster Bake such an enormous success. For that, we are so very grateful to you, and ask that you please convey to all your colleagues who made it possible the profound gratitude of everyone at Larc.

As you well know, our disabled children and adults, as well as all their families, experience very few easy days. For many of them, even the most routine daily tasks, which others take so much for granted, can be enormously difficult and frustrating chores. Knowing that there are people like you and your fellow attorneys who really care, and want to make their lives a little bit easier, is a source of joy to all our families.

Please be sure that the funds you earned for our children will, indeed, be used to make their lives better.

Bests wishes and all our thanks to you and your colleagues.

Sincerely,

Ed McDonnell, Chairperson
Larc School Board of Directors
